

# LOVE TOO SOON

Brooks Williams

## *Verse 1*

D            D    E                    E  
Here I go a-gain, my heart is in a twist  
G                    A                    D            A  
I fall at the first kiss, I get to love too soon

## *Verse 2*

D            D    E                    E  
Here I go a-gain, each and every time  
G                    A                    D            D  
I misread all the signs, I get to love too soon

## *Chorus*

A        G        D    D  
I get to love too soon  
A        G        Bm    E        A    A  
I get to love too s—o—o—n

## *Verse 3*

D            D    E                    E  
Here I go a-gain, making my own bed  
G                    A                    D            D  
Instead of using my head, I get to love too soon

## *Chorus*

## *Verse 4*

D            D    E                    E  
Here I go a-gain, here I go a-gain  
G                    A                    D            D  
Here I go a-gain, I get to love too soon
